Gun a Marathon

Elevator Pitch

Challenging Streamer-Rage 2D pixel art physics game where you are a gun and you need to get to the finishing line of the marathon only by nudging the gun and shooting to move

Unique Selling Point/The Twist

You are a Gun, that needs to finish a marathon

Design Pillars

- *Easy to understand Difficult to Master*
- *Speedrun is a must*
- *Unnatural movementation*

Core System Mechanics

- Physics based movement
- Balance deciding to reload vs keep shooting
- Competing for time
